

MATAHARI DEPARTMENT STORE MENCATAT LABA BERSIH Q1 2017 SEBESAR Rp 244 MILIAR

Highlights Q1 2017:

- **Total penjualan kotor sebesar Rp 3.214 miliar, 1,4% dibanding Q1 2016**
- **Same store sales growth (SSSG) sebesar -3,5%**
- **Laba bersih stabil dengan tahun lalu di Rp 244 miliar**

PT Matahari Department Store Tbk mencatat laba bersih Q1 2017 sebesar Rp 244 miliar, stabil dengan periode yang sama tahun lalu.

Penjualan kotor Q1 2017 tercatat sebesar Rp 3.214 miliar, 1,4% lebih rendah dibanding Q1 2016 yang tercatat sebesar Rp 3.261 miliar. Pendapatan bersih tercatat sebesar Rp 1.852 miliar, 0,55% lebih rendah dibanding Rp 1.862 miliar pada Q1 2016. SSSG menurun 3,5% terutama disebabkan oleh lemahnya kondisi konsumen dan bergesernya kalender musiman.

Saat ini Matahari memiliki 151 gerai di 70 kota di Indonesia, dan juga menawarkan *merchandise* nya secara *online* melalui MatahariStore.com. Matahari merencanakan untuk membuka 6-8 gerai baru di 2017, dimana separuh di antaranya akan dibuka sebelum periode Lebaran.

Richard Gibson, CEO dan Vice President Director Perseroan mengatakan, “Meskipun saat ini konsumsi domestik sedang lemah, kami tetap merasa sangat positif atas belanja konsumen di Indonesia. Kami mulai melihat tanda optimisme di data makro-ekonomi dan percaya bahwa kuatnya penawaran produk *merchandise* kami, ditambah dengan bertumbuhnya segmen pelanggan kami, akan mendorong bisnis kami di tahun ini”.

Forward-Looking Statements

Certain statements in this release are or may be forward-looking statements. These statements typically contain words such as "will", "expects" and "anticipates" and words of similar import. By their nature, forward looking statements involve a number of risks and uncertainties that could cause actual events or results to differ materially from those described in this release. Factors that could cause actual results to differ include, but are not limited to, economic, social and political conditions in Indonesia; the state of the property industry in Indonesia; prevailing market conditions; increases in regulatory burdens in Indonesia, including environmental regulations and compliance costs; fluctuations in foreign currency exchange rates; interest rate trends, cost of capital and capital availability; the anticipated demand and selling prices for our developments and related capital expenditures and investments; the cost of construction; availability of real estate property; competition from other companies and venues; shifts in customer demands; changes in operation expenses, including employee wages, benefits and training, governmental and public policy changes; our ability to be and remain competitive; our financial condition, business strategy as well as the plans and objectives of our management for future operations; generation of future receivables; and environmental compliance and remediation. Should one or more of these uncertainties or risks, among others, materialize, actual results may vary materially from those estimated, anticipated or projected. Specifically, but without limitation, capital costs could increase, projects could be delayed and anticipated improvements in production, capacity or performance might not be fully realized. Although we believe that the expectations of our management as reflected by such forward-looking statements are reasonable based on information currently available to us, no assurances can be given that such expectations will prove to have been correct. You should not unduly rely on such statements. In any event, these statements speak only as of the date hereof, and we undertake no obligation to update or revise any of them, whether as a result of new information, future events or otherwise.
